## Virtual Workshop/Keynote Abstract "Enhancing Racial Appreciation"

### Abstract

Sadly, many people are exposed to negative racial stereotypes in media and society on a daily basis. This positive training seeks to combat those negative influences and bias by presenting the various racial cultures in a positive way. Attendees will learn fascinating facts about races revolving around three (3) areas of geographical origin, language, and Culture. Exciting facts and little known truths will be discussed and explained in a way that encourages racial appreciation.

"His ability to grab the audience's attention from beginning to end is unmatched. His willingness to blend his personal life tragedies along with his corporate experience makes him a must have at your next event"

-Orlando Pitts, Director of Operations [Madison/Decatur], Office Pride Commercial Cleaning

### Objectives

1. Gain exposure to positive facts about racial geographical origins.
2. Learn exciting facts about racial languages.
